Business:

How much do we bring in annually from dues \$ 1660 - this is for dues and we have experienced a small downward trend in membership dues due to enrollment. Remember we have a varying dues structure.

Current Events:

8/16/2018 Sanofoi-Pasteur Deana Leonard -

Highlighting how flu vaccines are developed and they work to fight against flu, reviewed efficacy determination and differences in types of vaccines available. This was a great lecture - informative and interesting

10/20 - Our next meeting is set Speakers will include Dr. Melissa Tonn of OCC MD and Select physical therapy will present 1 hr CE presentation. This will also be the date of our annual business meeting.

Pappdeaux in Arlington 11a - 2p

Education Service Plan:

Current efforts: Career Smart put together aCEU package - and sent out and email for access to online CEU's we paid 1000 dollars so every member could have access to 11 CEU hrs. Please check your spam folders for emails from Frank Canino with Career Smart as it details log in instructions - This was an Organization sponsored CEU opportunity so

let's not waste it - 1 year to complete before the link expires (5/2019). If you are having difficulty email me directly at kbready@sterilite.com

Engagement Plan -

We have been sending information out by email.

We developed a Linked In account so look us up and join

Postings to the Web Page

Please make sure your emails are up to date with AAOHN as those are the ones we are using to send out information

Elections:

We will work collaboratively to bring resolution to the election process for 2019. We will begin

addressing elections process during business meeting in October with nominations due by November

and elections in December

Ultimately for this organization to keep running - we need invested volunteers - if that is you we would love to hear from you
